The Learning Hero Roadmap helps you start the school year strong.

Try these 5 simple actions and check them off as you go!

1 GET A GUT-CHECK

Use the **Readiness Check** to see how your child is doing with math and reading skills needed for their new grade, plus get videos and activities to support learning at home!

3 SUPPORT LIFE SKILLS

Strengths such as communication, problem-solving, and confidence will help your child in school and life. Talk openly about how they're feeling and handling situations, especially the tough ones.

5 MAKE IT FUN

You are the expert on your child and help make learning real! Read together on topics that interest your child. Find math in everyday life and turn it into a game. These small learning moments add up to a lot!
