### Not My Child.....

#### Guide for families dealing with the following topics

Detecting teens or children at risk of becoming addicted to alcohol or drugs

Guidance, on what parents can do to help their child deal with depression, obsessive cravings

Addressing societal problems, social media, bullying, sexting

Distracted driving, texting, under the influence and driving drowsy

*My Child Would Never Do That!* Are famous last words uttered by parents in every school and every school district across the country when they are surprised about something they believe their child would never do. Students of all ages make poor choices due to peer pressure, or behavioral concerns. Join us as we hear from local speakers, including law enforcement, first responders, juvenile justice system, on the shocking topics our students are faced with and how we, as parents or guardians, can prevent these dangerous scenarios.
