

Tennessee Parent-Teacher Association Corporate/Business Friend of PTA Information

The cost of a Corporate/Business Friend of Tennessee PTA is \$25.00. Tennessee PTA receives \$15.00 and the local unit receives \$10.00. A letter of appreciation will be sent from the state president along with a certificate and a one year subscription to the Tennessee PTA *Bulletin*.

The money collected for Corporate/Business Friends of PTA is sent to the State PTA office along with the application form. The application form can also be found in the Membership Handbook.

The Tennessee PTA State Office will send the local unit/council portion of the donation to the unit or council after the Initial Membership Report is filed. The local unit/council portion obtained after the initial report is mailed will be handled on a monthly basis.

The \$15.00 portion of the donation received by the State PTA will be used for maintaining the State PTA Office and for securing needed equipment for the office.

This is an excellent way for the local unit/council to secure additional funds for needed projects. It will also give the corporate/business community a chance to be involved in the PTA.
