WHEREAS, The future of our state and its citizens is directly related to the quality of its public school system; and

WHEREAS, The future of public education is directly related to adequate sources of revenue; therefore be it

RESOLVED, That the Tennessee PTA urge the Tennessee General Assembly to provide adequate and equitable funding for public education, and be it further

RESOLVED, That the Tennessee PTA urge the Tennessee General Assembly to provide revenues to fund improved and innovative educational programs for children and youth.

Adopted by the 1997 Convention Delegates

Reaffirmed by the Board of Managers – April, 2002
